### ***The Kids Guide to Money Cents\$*** by Keltie Thomas

Pssst. Want to get the inside scoop on money and discover your money personality? Join the Money Cent\$ gang in my book as they uncover a wealth of information:

- what exactly money is
  - why such pieces of metal and paper are have so much power
  - how to get the best shopping deals
  - how to start a business
  - how to spot counterfeit bills
  - the ups and downs of the stock market.
- And that way, I hope you'll discover what money's worth to you and how you can make it and use it to get what you want out of life.

#### **Thematic links:**

Social Studies  
Mathematics  
Invention  
History  
Journalism, researching and interviewing

#### **Activity Ideas:**

- Research how much it costs to produce a product: example a meal, a school project. Include costs of materials, labour, overhead.
- Check out the book for activities about: bartering, budgeting, calculating cash flow, creating a business plan, deciding value, determining money personality, do you have the right stuff to be an entrepreneur, investing, keeping a money diary, playing the stock market, spotting counterfeit money.
