Subject: Nomination List for **2012 - 2013** Awards

The Hackmatack Award Selection Committees are currently in the process of developing shortlists of nominated books for the 2012-2013 awards. The shortlists will consist of 10 English fiction, 10 English non-fiction, 10 French fiction and 10 French non-fiction Canadian titles suitable for ages nine to twelve (grades four to six). The nominated books will be read in the next school year (2012/2013) by thousands of children in the Atlantic region. Young readers will vote for their favourites in region-wide elections and the winners in all categories will be announced at the Hackmatack Award Ceremony in spring 2013.

We invite you to submit titles you think might be appropriate (see the attached list of criteria). This year we have Book Selection Committees in three provinces. Please note the different shipping addresses for each category.
