SHARE YOUR SUCCESS STORIES

Many schools and libraries have had great successes with integrating the Hackmataack books into their curriculums and yearly programs. What works best for you? Share your experiences with other groups. Just email hackmataack@hackmataack.ca and we will post them on our website.

SUPPORT FOR BOOK PURCHASES

Need support for book purchases or increased access to the nominated books? Try asking your **Parent-Teacher Association** or **local business** for their support. Your local **public libraries** are involved with the Hackmataack program and are interested in collaborating with schools to support reading groups.
